1. Read statement of expenditure in the Public Works Department from District Funds for March and April 1894. The statement showed that a sum of Rs. 3,620 had been spent during the two months or Rs 30,778 from the commencement of the official year. The Board observed with satisfaction that only a balance of Rs. 6,241 remained to be spent during the next two months of the year.

2. The statement of expenditure on works executed by the Revenue Department was then read to the Board. It showed that out of 45 well works, &c., sanctioned for Rs 8,384, only 26 works have been proceeded with, and the outlay actually incurred was Rs. 3,329 out of the Budget grant of Rs. 17,000 This, the Board observed, would not reflect credit upon the Amildars who, it is hoped, would exert themselves and try their best to ensure better results during the remaining short period of the current year.

3. The execution of the works marked in the statement C was also sanctioned to be carried out as far as possible before the close of the official year.

4. Read Muzarayi Secretary's letter No. 858—84-93, dated 10th March 1894, asking whether any of the chattrams in the District can be conveniently abolished so as to open one at Hunsur to provide for the pilgrims to Talakaveri and Subrahmanyam Jatras.

Resolved that the Muzarayi Secretary be informed that the abolition of any of the existing chattrams is likely to cause inconvenience to travellers.

5. Read Senior Surgeon's docket No. 2577, dated 15th March 1894, stating that certain articles worth about Rs. 20 might be supplied to each midwife in the District.

Dr Benson observed that some of the articles enumerated had to be supplied every year, and that provision was necessary for them The Board approved of the proposed cost of Rs. 20 being incurred for the present in the case of each midwife and resolved that the Senior Surgeon be requested to arrange for purchase of the articles and to submit a bill therefor.

6. Read Civil Surgeon's docket No. 368, dated 13th May 1894, stating that Mariyamma has become eligible for the post of a midwife and suggesting that she may be posted to Nanjangud. Unanimously approved.

7. Read Yadi No. 519—2743, dated 1st May 1894, from the Second General Assistant Commissioner, submitting as desired at the previous meeting, held on 30th November 1893, his opinion as regards the opening of a new road from Gargeswari so as to connect the roads between the Mysore, Talkad and Seringapatam-Sivasamudram.

Proposed by Mr. Karve and seconded by Dr. Benson that as the existing road running through Gargeswari was circuitous and also impassable during the wet weather, the new road be approved in the interests of the public.

The Board approved of the same and resolved that the Executive Engineer be requested to prepare an estimate for the work.

8. The Deputy Commissioner Mr. A. Rangaswamaiengar and the Amildar of Gundlupet were engaged in arranging for the encampment of His Highness the Maharaja of Mysore at Siddarayan on the 27th instant, and the Amildar of Nanjangud was also unable to attend the meeting, as he had to arrange for the reception of His Highness the Maharaja on the 27th instant. Of the non-official members Messrs. Amble Annaiya Pandit and Davudkhan were reported to be absent from Mysore on private affairs. Of the remaining members Mr. Srirangachar will be called upon to explain his absence.
